

HYPNÔSE
DOLL EYES

Dreaming of a Doll Lash Effect?

Hypnôse Doll Eyes coats every single lash without weighting them down, for a wide-eye look.

Results: A volumised, extended, lifted lash look.

Expertise & Tips.

The cone shaped brush is carefully developed to assure the ideal load on each lash, even in the inner corner of the eye.

The exclusive Fibershine formula, enriched with nylon powders, offers perfect load and beautiful curve for seductive fanned out lashes. A must-have mascara for a volumised, extended, lifted lash look.

Lancome is exclusively distributed by
