It embodies mischievous femininity: the rose becomes playful, driven by deliciously tangy raspberry tones, wooden shimmers and voluptuous vanilla notes.

A candied rose of love, warm and juicy, sweetly addictive.

A vivacious scent enhanced with intense rose and bold blackcurrant notes.

Top Notes

The caress of jasmine and peony meet fresh blackcurrant bud absolute and intense pink pepper.

Heart Notes

From the very first moment, it's love at first sight between deep, intense rose absolute and vibrant, bold raspberry.

Base Notes

For the final touch of seduction, the drydown – Virginia cedar essence, vanilla and musk – warms up the floral notes in an addictive and modern scent.
